

War situation and Unbroken Programme

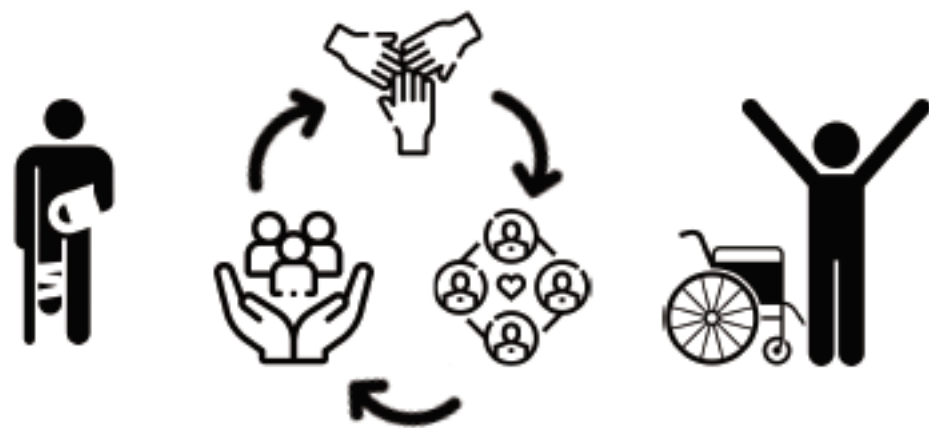

WIND ROSE OF LIVI

TEMPERATURE OF LIVI

What dose "Re-Lviv" mean?

Re-lviv sounds like relive of relief, we hope to create a safe and peaceful community, so that soldiers who have been traumatized by war have a place to restart their lives, and return to normal life step by step.

Green link strategy

Metagroup concept masterplan

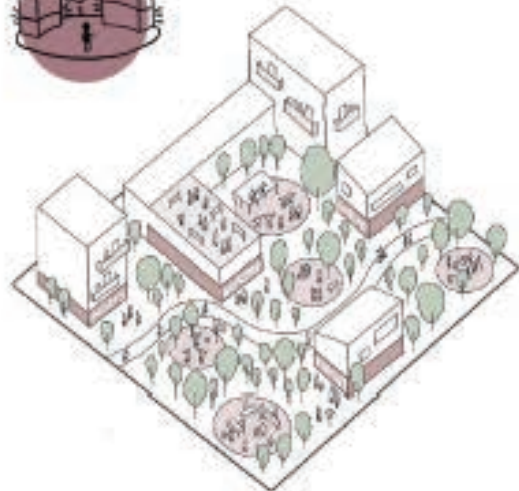

Targeted area

Design principles

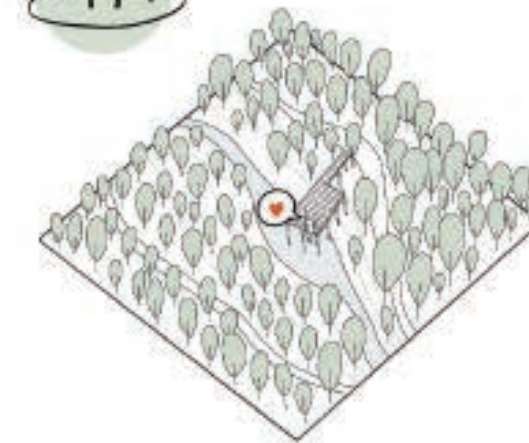

human scale + sensitive architecture

activated urban spaces + ground floor

outdoor + indoor spaces for physical therapy

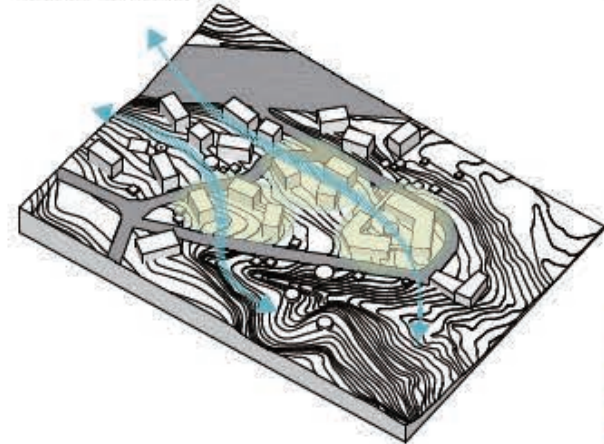

nature elements for human well-being

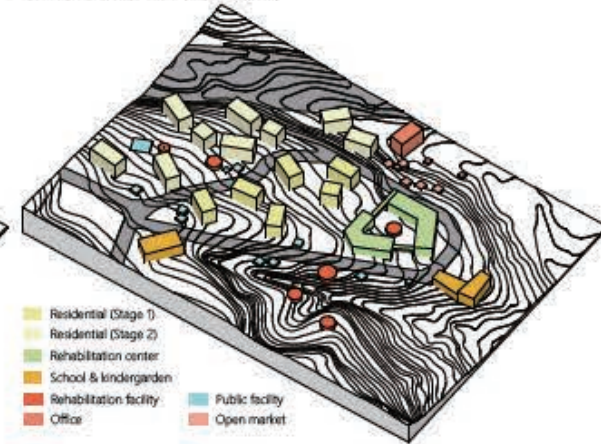

different green space different activities in green area
