Excursion „Lviv Region“

First destination: The castle Olesko, which has been restored and is being used as a museum. The collection of furniture and paintings reminded us of the history that connects Ukraine, Poland and Austria.

Lunch at the dining-hall of the castle Olesko

Second destination: The town Brody - Lecture about the urban development of the town in the historical museum.

Individual city walks in small groups

Last destination: Visit of the jewish heritage in Brody - the remains of the synagogue and the cementry
